Eat Smart, Move More, Weigh Less is a weight-management program that uses strategies proven to work. Each lesson informs, empowers and motivates participants to live mindfully as they make choices about eating and physical activity. The program provides opportunities for participants to track their progress and keep a journal of healthy eating and physical activity behaviors. The program can be offered to community members, worksites and other groups interested in eating smart, moving more and achieving a healthy weight. There are between sixteen and nineteen lessons.
